Dear Supporter of the Blackland Farm Managers Association,

This year, our 51st annual “Blackland Farm Managers Tour” will be held on Wednesday, August 4th in Washington County, NC.

This is the largest event of its kind in North Carolina, and we expect more than 550 attendees this year. The event will offer an excellent opportunity to interact with farmers and agribusiness leaders from across the state and will include educational presentations on corn, soybean, and cotton production and management.

The hosts for this year’s event will be Manning Bros. Farms and Donald’s Air Park. The tour will be located at Donald’s Air Park on Hwy 99. If using GPS, please enter this address: 5212 NC-99, Roper NC 27970. Registration begins at 7:00am with speakers starting at 8:30am. Lunch and remarks will begin at noon.

Each year we ask our industry partners to support this event. For those who have helped in the past, we thank you and hope that we can count on you again this year. If you have not participated before, this is a great opportunity to become a sponsor! As a sponsor, your name will be proudly displayed during the tour.
